If your child can recognize right, left and clock, has basic hygienic habits and is capable of basic communication with teacher (e.g. to get know he/she feels sick) – then there is no problem to pass the camp alone. At small children we recommend the presence of parent, better than „missing and crying“ calls home, what is here difficult technically provide. The parents have to support direct communication between the student and teacher.

Please, you should better the flyer read once more.
