

Information of paying membership fees for next sesason

Every member of our school is obliged to pay membership fees. Every beginner must become a member no later than the second calendar month of his / her participation. The number of trainings is not limited and is paid for membership and not for the number of visited lessons. If you excuse your absence in advance, you can use your monthly tuition fees for other payments. Everyone pays only one of the following types of membership fees, always for the more expensive group he/she visits (eg. a non-Prague member who also practice in Prague, pays Prague fees): lifetime membership, annual subscription fee, monthly school-fee, monthly discounted membership, maintenance membership or regular payment of private lessons. Make payments to our school account or cash to teachers and assistants at the trainings.

Number of school account	2982742001/5500
--------------------------	-----------------

Membership fees (CZK)	In Prague	Out of Prague	Groups in playschools and Paraplíčko
Monthly discounted membership (direct debit)	500	400	300
Monthly school-fee	700	600	500
Annual subscription fee	4 800	3 800	2 800

The annual subscription fee is valid for the July 2019 - June 2020 season and can be paid by the end of June 2019 at the latest. The annual subscription is non-refundable.

Monthly discounted membership fees can only be paid by direct debit. If you choose this kind of payment (monthly subscription), you need to send your account number with the member's name and the group he visits and enter to the 23rd of the month for which you are paying to the school email (info@tkd.cz) and enter Direct debit authorization at your bank.

Monthly discounted membership fees must be paid by direct debit in the given month, otherwise it is necessary to pay monthly school-fee in any other way (cash, standing order). It is then not possible to claim a subscription.

Teachers have a 100% discount. The third and every next member of one family has a 50% discount.

Only in the case of a timely excuse (no later than the seventh day of a given month) and a non-attendance in a given month on any of the trainings, you can use your monthly payment to pay for a nearby school event. Or school equipment, always within 12 months of the excuse. Only excuses are accepted for serious reasons (serious health reasons, long stays outside our groups and serious family reasons) through our school website. Membership must be paid for the apology to be accepted and the payment has to be transferred any time. Of course, it is also advisable to inform your teacher. Please pay attention to this especially during the summer holidays (just apologize in time!).

Maintenance Membership - Only on the basis of an application to info@tkd.cz can the chairman of school consider recognizing this type of tuition (eg during a foreign stay, pregnancy, long-term serious illness). It must always be requested in advance. Annual non-refundable fee 1500CZK and is always only for the season see above. It depends on the justification of the impossibility to train and motivate to practice in the given period. Members with this membership will have membership in the Czech ITF, can represent the school, and can exceptionally attend school sessions and events by appointment.

Lifelong membership is intended for rock Taekwondists who are determined to practice long term. With regular attendance at school events and examinations, lifelong membership has been beneficial since the fourth year of exercise. Membership is irreversible, but transferable within the family.
