The complex is very well equipped. Already tried www.tkd.cz/foto.aspx?adresar=20120612_Spanelsko.

We are accommodated in hotel villas with three bedrooms for two and a common dining room, kitchen, shower with toilet (2x per villa). Extra bed not possible. The villas are 50 meters from the beach. The hotel's own swimming pool and wading pool are a matter of course. In addition, the hotel has its own smaller gym, fitness and wellness (jacuzzi, sauna, heated pool...), which are freely available. The complex also includes tennis courts, Wi-Fi, a restaurant or a bar. You can view the villas and the hotel here: www.clipperhotel.com. The price includes accommodation (including towels, bed linen, TV, washing machine, air conditioning...), tourist tax and the possibility to participate in training (taekwondo practitioners, of course, compulsory). On the weekend there will be an FMA and silat seminar with guro D. Pardo focusing on weapons and self-defense. Until MAR 15 you need to pay at least a deposit of 50% of the price and apply. The deposit is non-refundable, but it is possible to find a replacement for yourself. Check-in later with an additional fee of CZK 1000 per person and only by arrangement. Payment can be made to the school account 2001870779/2010 (IBAN CZ53 2010 0000 0020 0187 0779, SWIFT FIOBCZPP) with a clear indication of the name and "Spain" or in cash. Applications only via the Schedule of Events at www.tkd.cz. No later than MAY 15 everything must be paid or the deposit will be forfeited.

Transport: own (can be organized for children). Return direct ticket currently around 3800 CZK Barcelona. Or possibly Girona (the closest, but small airport, you can get here by train from Barcelona). Transportation between the hotel and Girona can be organized by agreement (price based on number, type, etc.). Perhaps, of course, a beautiful, but more demanding journey by car from the Czech Republic. We can help participants arrange transportation together.

Diet: Own. Of course, you can cook or go to local restaurants. It is possible to organize for children.
