WHO: The camp is suitable for all interested parties, including complete beginners.

The camp is intended for all interested parties. Exams will always take place on the last day at approximately 1:30 p.m. In order to take the exam and possibly participate in one TKD exam, it is necessary to complete at least the entire 2-day final preparation. The number of training sessions increases the chances of passing the pre-exam. The examinations are only open to registered members of the school who pay their membership fees regularly (this also applies to other martial arts).
